245U-AQ-6239655

CH: Ah, like all together, within that time, I was only on the linea like two and a half years.

UNK: (voices overlapping).

CH: But it was never the linea, it was just tier time for an hour (voices overlap)

CI: That's what happens when (voices overlap) you pick up an inmate on inmate viaje, know what I mean.

UNK: (UI)

CI: If you're ever in the system and you pick up a muerte, that's what happens. Expect it. It goes for anybody, it don't matter that your black, white or yellow.

CH: The, the, the level system back then was worse than this shit.

CI: But still, they always hold that against you. Always, whatever, you know what I mean? They always, yeah, (laughs) (UI) by the phone (UI) are you getting on the phone now.

UNK: Equalizer?

CI: Yeah.

UNK: (UI)

CH: Tell him the wires a little fucked up but it's cherry. It bumps eh.

CI: How do they work? You plug it into the MP?

CH: Yeah, you put the MP thru one wire and then you have to put batteries, it'll tell you batteries in it.

CI: And then (Voices overlapping)

CH: (UI) it's not a base booster, this fucker like an EQ with extra bass sound, it tremble. (UI) its like being in a ranfla.

CI: Yeah. (UI)

UNK: What happened? (UI)

CI: Yeah, he's going to give you an equalizer.

UNK: What. (UI)

CI: No, but ah, he's going to get equalizer for free for giving me skina.

245U-AQ-6239655

UNK: (UI)

CI: (laughs)

UNK: As soon as I call you guys, it go live and then, it should start in like (UI) for like two minutes before they started fucking.

CI: I know eh. I'm not lying to you, he called me it, it was only two minutes, they started fucking and then they'll go to another couple, they'll take a, and within another two minutes they'll start fucking.

UNK: (UI).

CI: It was. . .

UNK: I haven't seen nothing like that in a long time.

CI: He said he hasn't seen nothing like that. (UI) they don't get channel 28 at the cells? They. . .

UNK: (UI)

CI: Huh?

UNK: (Voices overlap). . .came out all (UI).

CI: I know but they could get it in the south too, (UI).

245U-AQ-6239655

UNK: Yeah, but I'm saying the channel just came up on Thursday.

CI: Oh, they, probably don't know about it huh?

UNK: (UI)

CI: Hey, what's the name of channel?

UNK: Cinemax.

CI: Well Cinemax is usually just a movie channel. That was a fucking, I guess it was a movie but...

UNK: (UI) Come on now, that ain't no movie.

CI: It wasn't a movie, was. (UI) (laughs)

UNK: (UI)

CI: Yeah it was. That was a swinger's movie (laughs).

UNK: (UI)

CI: Fuck

UNK: (UI)

CI: Yeah and that Chinese chick, the one that looked Asian, but the redhead was best of all of them.

UNK: I like the, I like her ah, (UI). . .

CI: I bet you no one is working out today.

UNK: (UI)

CI: Laughs. Hey (UI) a la verga (UI). . . (laughing).

UNK: (UI).

CI: Laughs.

UNK: Laughing.

CI: A la verga.

UNK: Hey, (UI) till the jura gets it.

CI: (UI) he couldn't see it, I turned the TV this way.

UNK: (UI)

245U-AQ-6239655

CI: I turn, I turned the TV this way. That way I look out from my window and you couldn't see the picture.

UNK: (UI)

CI: That way, you couldn't hear it, you can't hear too much moaning, he walks by. A la verga. Yeah.

UNK: (UI)

CI: Alright, Bueno, Jessie.

UNK: (UI)

CI: Alright Buenos dias. Lazy?

CH: Yeah.

CI: Lazy.

CH: Huh?

CI: Yeah, you missed it man.

CH: (UI)

CI: What's up?

UNK: Ask him, ask him...

CH: Huh.

UNK: What's up with the fucking stallion.

CI: What, did you see that, that centerfold Lazy.

CH: Yeah, simon I love how she (UI).

CI: Voices overlapping, laughing. He says he's done with it. Laughs.

UNK: (UI).

CI: Hey.

UNK: (UI).

CI: Yup.

UNK: (UI)

CI: 20 years old.

UNK: Huh.

245U-AQ-6239655

CI: 20 years old. . . (UI) He's going to put her on layaway.

UNK: Laughs.

CI: Laughs.

UNK: (UI)

CI: What, what's up Lazy.

CH: What happened?

CI: Nothing, he was saying that, that's his centerfold. He said, what he say about the centerfold?

CH: (UI) soup huh?

CI: (UI) did you already eat those three?

CH: Huh?

CI: Did you already eat those three?

CH: Yeah.

CI: Alright ah, were just going to have to use that envelope, that, and open it one at a time I guess.

CH: Alright.

CI: Open it one at a time and chew them. And then...

CH: (UI) get it like that one at a time.

CI: Alright. Yeah, that, that dude needs to stay at his door a long time trying to get a soup instead of just opening and put on a fucking and, and thing you want one now or what.

CH: (UI) the one who use to live in here.

CI: Yeah.

CH: (UI)

CI: Yeah that's what he said.

CH: (UI) just got to do, do a little bit at a time though (UI) huh.

CI: Yeah.

245U-AQ-6239655

CH: Dishing a whole soup like that (UI) if you don't crush it (UI).

CI: Yup, if you crush it right, well it go under your door?

CH: Yeah it overrides it.

CI: And let the air out huh?

CH: Yeah. No, you gotta do it in an envelope.

CI: Oh, right, right. Yeah, yeah, I'll put it in a env-.

CH: (UI) just do half like, pour a little bit in a, that the dispenser over there then I'll send it back, pour a little bit more and bring it back, like that, no.

CI: Yeah.

CH: It' a viaje eh. I can't wait. fucking, even if they took off that (UI) from over there.

CI: Hey what phone, what phone conversations will I have to worry about?

CH: I don't know what (UI) to say, (UI) the hell what you were talking about out there but.

CI: Oh, when they were calling?

CH: I'm telling you vatos out there were setting people up, that's what I've been hearing. That's what the rollos in here, no, but we been hearing about all these cases and shit. I've been getting like, see, you haven't been able to rap to or see what we were seeing over here. Man, you weren't able to rap to, when everybody got hemmed up in the county.

CI: What were you seeing?

CH: They were just saying that, that the feds had pulled everybody out of the county that, more or less, we were, well Shadow was telling me more or less who he thinks would fold and who was out and all the drama, no like, what they found, what they didn't find. All, also (UI) they didn't find nothing. They haven't found any guns. They haven't found dope. The only cases they have are dope (UI) to pull. And he, his guilty just by affiliation like we are, know what I mean? That fucker's not like ah, that's just some youngster they went and hemmed up eh.

CI: I never, has he ever met, have I ever met him?

245U-AQ-6239655

CH: Yeah, that (UI) see that's their fault tho because.

CI: Have I met him?

CH: No, no. No, I don't even know him. He's a, he's a Sanjo that slangs hard, well not all crazy, but he sews up 'spaña no?

CI: And whose name does he mention? Is he Camarada?

CH: Yeah. He seems like a Camarada that (UI).

CI: (UI).

CH: So far (UI) like everybody I got hemmed up no?

CI: Yeah.

CH: They haven't found no guns, they haven't found no guns. The only, that's why when they ran. . .(voices overlap)

CI: Are you, are you positive they didn't find no guns?

CH: Yeah. I'm not positive, positive but the rollo that we've been hearing, we haven't heard of anything like that. And then the, the supposed 36 sweep that they did and the roundup that Boo Boo told me in Cruces, that they rounded up 3 vatos in Denver or in Colorado somewhere, like, I don't even know who the fuck was over there. He mentioned some names that I didn't know who the fuck they were.

CI: Is it, wasn't Dan Dan and them the ones that were in Denver?

CH: I don't know.

CI: Oh no, no, no, they were in Arizona. You know who was in Denver, Joker.

CH: Yeah I knew he was but I don't know who else but he mentioned some names and it wasn't Dan Dan. Then Shadow told me that they hemmed up Dan Dan for some muertes no? So, that's pretty much it. As, as far as all that other rollo. See when they hit my mom, that was out of desperation. They tried getting her on venta when they had their informants calling, trying to score chiva the vatos they mentioned, see the vatos that were trying to score was Weasel and Huero Robert.

CI: Who's Guero?

CH: Those were two vatos right there.

245U-AQ-6239655

CI: Who's Guero?

CH: I don't know that guy.

CI: Or Weasel? Who's Weasel?

CH: I don't know. What Weasel. I don't know. That's just the vato that they were telling my mom, this is the crazy part. This is where my mom snapped because they were, they were mentioning my brother Roy. They were saying, yeah, were good friends of Roy. Roy's been dead for nine, since '98. My brother Roy, no, that, that fucker's been dead and he was never in the mix. He was but it's like no one hardly knew him no? So for them fuckers to mention his name she snapped, she snapped right away. That, see and that's why they were telling her how come you said you were retired. My mom says, what, but what does that mean? Doesn't mean nothing. (UI) fucking barking it.

CI: Who did she tell that to?

CH: But they recorded, they were recording. When they called the Score, my mom said I don't have nothing, no mijo, I'm retired. I don't do that no more. Yeah ya estubo no? Ya acabe. That's the rollo they have on a (UI). I guess on a recording.

CI: Well she did good.

CH: That doesn't mean nothing though.

CI: Shit I know.

CH: (UI) that shows that she's not doing nothing.

CI: Yup.

CH: And they got mad so what did they do next? They raided her four days, about five days later. They raided thru, with a federal search warrant. The search warrant they were reading over the phone, they were, my ruca was reading it, no. She was saying that there looking for, the main thing that they kept on asking for was Suboxone. That we, that, that she was assisting me getting Suboxone in the facility. They went and looked for everything that, that, like something that, that has to do with like fucking tampering with the postal service. They didn't find nothing

CI: Yeah that's . . .

245U-AQ-6239655

CH: They didn't find no Suboxone, they, and I'm lucky because I have 20 there but I got rid of them eh.

CI: Twenty where? You had them?

CH: Yes, I had twenty strips there like a dummy eh. Just saving them.

CI: In your cell?

CH: No, no at the pad.

CI: Oh.

CH: I had twenty strips there just fucking, had my sister saving them like a fucking idiot, no.

CI: How, (Voices overlap). How

CH: They went through all my mom's prescription meds, and they, they didn't find nothing so they left and they just were barking, scaring her no? They were just uh, telling her all kinds of rollo that she's under investigation and that they have all kinds of evidence and that how come they even have pictures, of Pup's ruca at my mom's pad. Shh, I met her through my wife. I disapprove of him either.

CI: I wonder. . .

CH: They have all those fucking phone conversations supposedly that they have and that they would see that they were making listas. Listas the experts because they use to go (UI) me. My mom's boyfriend, they had a bunch of land. They use to harvest chive no? For that, to show that how income comes in. And all of that matched up perfectly. See they did act like that they're dealing with a bunch of fucking fish, eh, like, we already knew how they work. Nothing that, we never even that, what, never even had anything under our name and if you, you can't prove that you're able to show a purchase that you paid for these. People get busted because Chris and them are over there buying pads and cars and don't even have a jale, riding up to the, to the parole office in a brand new car bumping and don't even have a jale. Times have changed. It's not like before now. The fucking, the, the STG, that from in here works with them fuckers out there you already know. But I mean it's gotten worse. Now you have a US Marshall involved with the FBI, sweeping all the Burque. Shadow told me that they were fucking hitting everybody, hey.

CI: Which Shadow?

245U-AQ-6239655

CH: Little Shadow.

CI: Oh.

CH: I don't rap to big Shadow. That fucker's a creep, a real weirdo eh. Little Shadow, no?

CI: Have you heard anything where they're holding Billy?

CH: About what?

CI: Have you ever heard, have you ever heard anything where, where Big Billy's at.

CH: No.

CI: I wonder what's up with that fool.

CH: I don't know. I don't know, eh, but that, that, I'm saying fuck, what just like that bro that, it's just what other people say too, you know what I mean. Somebody too like Garduño and them were matching your name and writing a labrada, that's another thing.

CI: Everybody's mentioning my name.

CH: But it, it, that don't prove nothing. He could write or whatever.

CI: And, and the Feds, that's all they, and the Feds, that's all they need is the dude to say yeah, he is the whatever.

CH: But you'll gettime, were all going to get time man, what's the point. They have to prove that, that, that there was a recording saying that (UI) who killed this vato or, or somebody (UI) is that I hit a murder saying that well this person's saying to do this. That's, that, that, that's, that's where their looking for. They don't have nothing.

CI: Well they have all them vatos that were charged with, each one of them viajes is that they induce this.

CH: Another thing too, yes we could attack too because them vatos are all on meds. They (UI) see that other thing too is because of the, the corrections department with law enforcement went and charged people on fucking crimes supposedly happened in the facility. They're kind of blaming this one group for every crime that's happened in the facility. And then, and then their trying to...

245U-AQ-6239655

CI: No, their, their, their accusing different people for each one but their having a leadership that they threw into all that.

CH: Their, they've been here supposedly since 2007.

CI: Who?

CH: Federal Investigations, but they, they been taking the time with it, that supposedly they were seeing . . .

CI: I don't think so because I got out in 2011. I would have never got out.

CH: But no, but no, no, not, not that. What I'm saying is ah, the investigations started when STG and them started working with, with Denver and California to help them train their facilities, remember? Like when they did that sweep over there in Hobbs, taking pictures ah, just keeping up their, their program, you know what I mean. I don't know.

CI: How does, fucking Billy knows so, little Billy know so much? Did they plug him in?

CH: Yeah, because they know too.

CI: Did . . .

CH: They asked you.

CI: Did he say they were asking about me?

CH: Supposedly they were telling everybody. Now's your chance to work with us but know, we're coming.

CI: Did he say anything about them asking about me?

CH: No, I haven't heard (UI), the only time I heard your name is when I told you this, when they pulled us out there in Cruces, because that viejo locked me up, that was a personal thing, they didn't even have nothing to do with nada, fucker goes and gets (UI) and I (UI) wanted to charge someone, for a hit. You know what I mean.

CI: Yeah.

CH: That little youngster, that's another thing, he doesn't know nada if he was to say anything, he doesn't know nothing. I'm not that stupid bro . . . I ain't going to trust that (UI) vato eh.

245U-AQ-6239655

CI: He could say, that little fucker could say who, who he was rapping to.

CH: He could say who he was rapping to or whatever but he doesn't know much. He doesn't really, know nothing. Not only that, the paisa he isn't that stupid, you know. But (UI) but then they look down and if you're down. . .

CI: Huh.

CH: But that's another thing I can't, I can't say that he's firme, a solid vato, what, what I know he looks firme until something is wrong, you know what I mean? They all look firme then their not. But that's the only time, was because when STG came that they were saying that there was, that they knew about it but that they were pissed. Supposedly they were mad because Marcantel went and told to lift it, let everybody out. STG I guess was going against them.

CI: Even though there's, even though there was papers on vatos and everything, let them out.

CH: Yeah. So I guess, I guess they were fucking pissed because they said that (UI) that they knew there was tension between you and him over a ruca. That he fucked up because some pedo like that, no, over a chick. That's the rollo they were seeing.

CI: That was already over. It was Barelas against whoever they thought was, was my friend.

CH: Then after that, ah, that's when, when they brought your ass. That's when I had heard they arrested you. But that was like a couple of months later though. It wasn't right away. So I kind of figured, I said, yeah, they probably fucking got him on the RICO, trying to say that. That's what I was thinking, was me, Alex, and us no? Juanito and shit. That's the only one I rap to. On, on that time, level (UI).

CI: Yeah.

CH: (UI) that did these feds or whatever but as of right now, I just keep you with the vatos doing whatever. So they have nothing to lose and if they were to scare 'em, they won't say fuck because they don't have nada. The ones that I would watch more are the ones that are going home bro.

CI: That shit when they hit me up on that, on the vehicle, I didn't know, none of the names there, especially that, I was trying to think about who that little

245U-AQ-6239655

fucker was. Who was he and I'm like, shit I don't know that fucker, right. I wasn't even rapping to no one in Cruces, you know what I mean. I said how the fuck you tie me to that.

CH: They'll have to prove all that shit.

CI: Huh?

CH: They have to prove all that shit. But the only thing...

CI: Yeah, but he was the one creating the tension by fucking campaigning.

CH: Yeah.

CI: You know what I mean. So, but what do you expect, it's going to happen if he's, he's there campaigning against Duzer, my friends. What, what the fuck. They tried to make it like if, I don't know. I was trying to wonder, I know, I was trying to wonder who is that little youngster, who is he. Who is he? I have to know him but.

CH: See and then after we had got word from.

CI: I thought it was Shamon, to be honest because they have, they have the same name on, on his AKA, on that youngster it, it says Chitman or something.

CH: See, if they would have come sooner, a long time ago, maybe they would have had a bigger case. But it was already kind of already, everybody was gone. I mean a lot majority passed on. A lot fucking, disappeared and a lot went to the program. So it was already time, huh. The ones that they went to those systems, that they fucking ran and brought them (UI) programs. They brought Billy, they brought Wino from there, Cyclone. The only one is TROUP. TROUP went home. They arrest him out there.

CI: Troops of my indictment.

CH: Yeah I know. They got a rental out there ah, (UI) you know. But the other ones are (UI), shit it's not good because Javier no, (UI) they were scaring him but I, I, that's what I was telling them, I don't even want to rap to that vato. Don't even have to rap to (UI). . .

CI: To, to who?

CH: To set you a warrant.

CI: To who?

245U-AQ-6239655

CH: Blue.

CI: Oh, Don't rap to Blue.

CH: I told Blue because he's from Silver City. That Reds from Silver City, that (UI).

CI: You, you told Blue not to rap to who?

CH: To Red.

CI: Who?

CH: Because they were trying to get Red to

CI: Oh Red, Red, Red.

CH: . . . you know.

CI: What?

CH: They were trying to get Red to recant his statement.

CI: Oh yeah. What was, what was his statement to, who was he implying on the statement. Who was he?

CH: He was saying that, that he. . .

CI: Was he . . .

CH: He was saying (UI) statement that I read. (UI) he just said that he heard commotion and people running up the stairs. He doesn't say who. Then they jammed him because Blue was all hurt. . . says what the fuck hey.

CI: That's what makes me think that cameras not working if he was in the room, you know what I mean.

CH: No, they were bro. They were working.

CI: So, they know he's lying.

CH: He knows. There was fucking cameras over there.

CI: So they know he's lying then?

CH: Yeah. And that's why they said on the cameras see we never seen the thing like that because all that never came out no? But we know because they were saying that something that they over observed something, someone handing somebody something in the shower.

CI: Who was in the shower?

245U-AQ-6239655

CH: Ah, Blue was. Blue was in the shower. They're trying to say that Creeper handing him something. And then..

CI: Well if Creeper, if Creeper (voices overlap) . . . if Creeper's cooperating then . . .

CH: They found a weapon that supposedly that was in the pipe chase and they're using that one as a murder weapon and that fucker's been in there for ages, all rusted.

CI: That was, they only found, they said there was only one murder weapon.

CH: Well there's a few supposedly.

CI: Did they find anything in the shower?

CH: Yeah, they, it's all fucked up. That, that, there was a big old mess. Not only that, they fucked up too (UI) I, I've seen it. They, they were fucking up. Even on the, even when medical walked in. Because medical was walking over that (UI). I seen (UI). . .

CI: Where, where were they going, when they walking over him?

CH: They didn't know who was on (UI), they didn't know like, they were fucking stupid. They were fucking, like running and like didn't know (UI) they talked to that, the person that was laying on the floor was just injured, so that, that, that's going to make them look chafa because that shows that, it's medicals fucken issues eh.

CI: Where did he get stuck, in the heart?

CH: On his chest. Right on his chest or pansa.

CI: They just walked right over him? (laughs.)

CH: That's why STG is mad because now that they filed a lawsuit. They were saying that, the STG I guess was saying that they do that, that they, (UI) used it.

CI: Well, if them papers were, them papers were how old?

CH: It's a long time.

CI: They're going to get some money too. That's what happened with old school.

245U-AQ-6239655

CJ: (UI) that's why I'm staying at it. Their dicks, now their just making up all kinds of lies.

CI: They should be be pissed at Marcantel, not at the system when they knew that it was going to happen. Wonder why if they knew it was going to happen, why they trying to blame people now. They need to blame themselves. They put paper, they put dudes with papers, the known papers from a long time ago, it's, everybody knows about and then they wonder why they try to point the finger, try to figure why it happens when shit like that's been happening since before. . . .

CH: Yeah, but I'm just saying to is, you're an hombre, it's the viejos nombre here, eh and the only thing, that those (UI) favor is that, trying to say that with that Julian, with that Julian and the ruca. . that's, that's the (UI) whatever out there, no? Those fuckers out there were setting people up, supposedly check this out. I, I haven't seen nothing (UI) but es que, its fucking big, the one that Conrad Salazar had. That I guess, what I heard, that Clifford, Huero and that fucker is wearing wires man. You know who was too fucking, who set up a bunch of people.

CI: Who?

CH: Little Pink Mama.

CI: Pink Mama?

CH: Yeah, that fuck, what's his name. Ah. . .

CI: Where's he at?

CH: Shit, that fucker was setting up people and you know what the fucked up thing? The vatos on the street (UI) . . . and that fucker recorded everybody.

CI: Pink Mama?

CH: Yeah. That fucker said was, and that's the main one. That's the one that ratted on Conrad and all them with that pedo over there. Then they have Archie . . .

CI: I rap, hey I talked to Pink Mama a couple of times.

CH: Then they got Archie I guess, because Archie was calling fucking Joker on the streets. There's transcripts dog.

CI: What Joker?

245U-AQ-6239655

CH: Baby Joker? The one from Silver City, the one that, what's his name, the ones they got in a shootout or something. Well anyway . . .

CI: I don't know that one.

CH: Archie calls from here and was telling him about his son because they killed his son I guess. He was saying what the fuck, who did it?

CI: Was he the Carnal?

CH: (UI)

CI: Who was he blaming?

CH: Huh.

CI: Who was he blaming for that?

CH: He didn't know.

CI: Oh.

CH: Joker, Joker was saying that, what's his name did it.

CI: Who?

CH: Ah, I dunno what's his name is eh.

CI: Is he a homie?

CH: Yeah. What's his name, fucking um.

CI: Do I know him?

CH: You know ah, he was in the feds eh . . he was some fucker from the feds eh. He's from Silver City too. That (UI) Archie's homie. They do that and shit, no.

CI: Did they get him for it?

CH: Well that's why they were giving Archie carrilla, they fucking, they were Joker they both (UI) es que no. Baby Joker disappeared, I think they hemmed him up too, and the other one. The fucker (UI) I think he's on that indictment. Fuck eh.

CI: Has he been around awhile?

CH: Remember that fucker ah, you probably won't remember.

CI: What?

245U-AQ-6239655

CH: No, that fuck, not, it's not Choo Choo, it's ah...

CI: Chulo?

CH: No. It's Chuco, not Chuco.

CI: Chico?

CH: Not Chico. (Laughing) It is Chudo, Little Chudo.

CI: Little Chudo?

CH: I think. Hey he's the one that's from Silver City. I don't know, I can't remember but.

CI: I don't know, I don't know that dude.

CH: (Voices overlap) all kinds of transcripts though. Again that's why (voices overlap).

CI: And who's, who's getting these transcripts, whose, whose case are they on.

CH: No, they were phone conversations. They have, I mean, stacks bro, that I have, I've just heard about it. Billy told me about it and I just heard, we were in Cruces nuh. That supposedly there's a bunch of shit, hey, I mean stacks and stacks of fucking wiretapping and phone conversations from the pinta on the street and supposedly Pink Mama was out there running around still setting people up wearing wires.

CI: He, he, he, I talked to him a couple of times trying to get some subs no? And ah, that's the time (voices overlap) when him, him and Garduni called me one time. Garduño, and told me that (voice overlap). . .

CH: (UI) the jura whatever. I (UI) knew nothing.

CI: Well, Garduño called me and told me he pulled out a cuete on them that he tried to rob them huh?

CH: Yeah I know, him and Jake.

CI: Him and who?

CH: Jake.

CI: Well Jake said that he was there just for them to both talk, to get them to talk to, to squash that shit no, cause (voices overlap).

CH: I'm going to tell you to stay up.

245U-AQ-6239655

CI: Huh?

CH: Fuckler, that fuckler was (UI) he's giving skina to that fucking viejo. . .

CI: Who?

CH: Jake did.

CI: Jake?

CH: Yeah.

CI: Giving skina to the viejo.

CH: Straight up, that fuckler's from Barelás.

CI: Yeah, but he wasn't, he, he was one of those that was about what was right and what was wrong. Even that, when I was with him in the County Jail he wasn't picking sides he was pissed off that there were sides he said, all this sides and all that, that, that's gacho he turned on Billy on his own just because of the way Billy was approaching him, no.

CH: I have to think that, that the only way to show it was (UI). I don't trust him, man, just for, from, because they were (UI) working apart to, right.

CI: Hey..

CH: (UI) playing the part too, they're not stupid. That fuckler was telling me just to get a report. They're not dumb, dumb. Es que Squeak just came back too.

CI: Squeak, Squeak.

CH: That's another one that was in Denver.

CI: I wonder where's Pink, Pink Mama ain't on the streets, no?

CH: Yeah, he's still on the street.

CI: Garduño say he got busted with a cuete.

CH: Garduno's burnt eh. Nah man, he made. . .

CI: What, what, what Jake, what Jake said when they did that with Garduño, he said he was upset with Garduño because of the way he took off, when, when ah. . .

CH: Yeah, Garduño told me carnal. My ruca went and rapped to him, she came and told me that fuckler, that

245U-AQ-6239655

supposedly they run a full snag. Because you, your (UI) esquina too, no. They (UI) it. I guess, fucker was with this ruca right? The ruca is the one that told me, look, look (UI). . .

CI: Yeah.

CH: And he looked in the rear view mirror and seen him. They go, were creeping on both sides behind him. Why would Jake go to one side? And, and the other one go to the other side.

CI: Yeah, I asked him, dude, are you sure you seen a gun. Are you sure? And he said, yeah, no.

CH: Yeah, they both went from both sides eh.

CI: Because I called Pink Mama and said hey, that dude's my little buddie. You need to leave him alone, if you're going to rob someone, rob somebody, somebody that, you know, somebody that, at least to one of our enemies or something. You know what I mean.

CH: (Voices overlap)

CI: Not, and Jake said, Jake said, is that what he told you. Fuck no. That vato's chafa, he said he took off running like a fucking bitch. He said I was there to make him talk, to squash that shit. That's the story he gave me, no.

CH: What I heard.

CI: He got mad at me.

CH: Fucking yeah. He's a rat. That, that's one of the main rats right there.

CI: Jake?

CH: No.

CI: Oh.

CH: Mama.

CI: No, I'm talking about Jake. I, I wasn't talking to Little Mama about what was up, Jake was acting like he's a mediator you know.

CH: Yeah. I don't know, but I just, but the only thing I didn't understand I, he ain't just going to say something like that because he trusted Jake eh.

245U-AQ-6239655

CI: Garduni's not all there but he's, it's hard, hard for him to push it together. He's one of those that you have to tell him what's up.

CH: Yeah I know. Spanky was out there with him. Spanky told me, no, he's cool eh, no. Hold on. (Pause)

CI: Hold on. Coming in. (Pause). You taking someone to the visit. Ah. Huh, their taking someone to the visit.

CH: What you need to do seriously.

CI: Huh?

CH: Get with your lawyer, then have him get at those fucking transcripts for fucking Conrad's case for Cruces with Clifford and all them.

CI: Conrad?

CH: (UI) they burned down that business, no.

CI: Ah huh.

CH: When they burned down the business. . .

CI: Okay.

CH: Alright. Because all those transcripts are in there and ask him too, about all, that's why they were mad at Archie too, but (UI).

CI: Transcripts from what, the-his case?

CH: Yeah. Because Pink Mama and all those transcripts and phone conversations will put all that puzzle together (UI).

CI: Well I wasn't, I wasn't rapping to any of them. I, I never rap to Conrad. I never, I'm the one that got a hold of Pink Mama, I think, trying to holler to Garduño, to see what kind of skina I could get.

CH: Yeah, but I've never talked to him.

CI: Oh, I know. I'm just saying ah, I, I tried to think back to who was the one calling me and saying that it was me calling them, you know.

CH: Yeah, (voices overlap). They were showing that movie over here, that (voices overlap)...

CI: Qu'vo. There's the five star thing, get one.

245U-AQ-6239655

CH: What's that (UI).

CI: Yeah, get it.

UNK: Five star? (Voices in background).

End of Transcription.

 02 CI: Did you see the ghost?
 03 CH: Well, I didn't see a ghost but I, all I seen was a black

 05 CI: An entity.
 06 CH: Yeah. It was a black fucking spirit eh.

 20 CH: Yeah. I seen that fucker, man.
 21 CI: What did he tell you?
 22 CH: He did nothing, he was in the mirror. I'll never forget that eh.

 24 Everybody eh, washa, I was kicking it eh and some fucking vato kept,
 25 walking towards me, orale carnal, and I told quvo and I like snapped
 00005:01 out of it. I said, what the fuck and I just shut the door, eh, and

 04 CI: Yeah.
 05 CH: And that fucker, I said, fucking, like he was walking towards me.
 06 He was like getting too close that I couldn't get (UI) I shook his
 07 hand, but I snapped you know (UI). so then after that, I woke up in

 14 CH: And I just seen the vato (UI) and that (UI)...
 15 CI:Who was it?
 16 CH: I sense that, he knew I was looking at him, hey, but he did not
 17 look at me, no.
 18 CI: Who was it, Bobbaloo?
 19 CH: I don't know who that vato was...He looked, kind of looked like Boo Boo.
 20 CI: Did,they ever give Billy, did they give Billy time for that?
 21 CH: Huh.
 22 CI: Did they get, did they had, did they include Billy in that?
 23 CH: No.
 24 CI: At all?
 25 CH: No.Fuck no. After I told you, (UI)...
 00006:01 CI: I forgot all about that.

 10 CI: Oh, when they were calling?
 11 CH: I'm telling you vatos out there were setting people up, that's what I've been
 12 hearing. That's what the rollos in here, no, but we been hearing about all these
 13 cases and shit.I've been getting like, see, you haven't been able to rap to
 14 or see what we were seeing over here. Man, you weren't
 15 able to rap to, when everybody got hemmed up in the county.
 16 CI: What were you seeing?
 17 CH: They were just saying that, that the feds had pulled everybody out of the

 19 he thinks would fold and who was out and all the drama, no like, what they found,
 20 what they didn't find. All, also (UI) they didn't find nothing. They haven't
 21 found any guns. They haven't found dope. The only cases they have are dope (UI)

 24 CI: I never, has he ever met, have I ever met him?
 25 CH: Yeah, that (UI) see that's their fault tho because.
 00019:01 CI: Have I met him?
 02 CH: No, no. No, I don't even know him. He's a, he's a Sanjo that slangs hard,
 03 well not all crazy, but he sews up 'spafia no?
 04 CI: And whose name does he mention? Is he Camarada?
 05 CH: Yeah. He seems like a Camarada that (UI).
 06 CI: (UI).
 07 CH: So far (UI) like everybody I got hemmed up no?
 08 CI: Yeah.
 09 CH: They haven't found no guns, they haven't found no guns. The only, that's
 10 why when they ran... (voices overlap)
 11 CI: Are you, are you positive they didn't find no guns?
 12 CH: Yeah. I'm not positive, positive but the rollo that we've been hearing,
 13 we haven't heard of anything like that. And then the, the supposed 36 sweep
 14 that they did and the roundup that Boo Boo told me in Cruces, that they rounded
 15 up 3 vatos in Denver or in Colorado somewhere, like, I don't even know who the
 16 fuck was over there. He mentioned some names that I didn't know who the fuck they

were.

00020:01 CI: Who's Guero?
 02 CH: Those were two vatos right there.
 03 CI: Who's Guero?
 04 CH: I don't know that guy.
 05 CI: Or Weasel? Who's Weasel?
 06 CH: I don't know. What Weasel. I don't know. That's just the vato that they
 07 were telling my mom, this is the crazy part.This is where my mom snapped because
 08 they were, they were mentioning my brother Roy. They were saying, yeah, were
 09 good friends of Roy. Roy's been dead for nine, since '98. My brother Roy, no,
 10 that, that fucker's been dead and he was never in the mix. He was but it's
 11 like no one hardly knew him no? So for them fuckers to mention his name she
 12 snapped, she snapped right away.That, see and that's why they were telling
 13 her how come you said you were retired. My mom says, what, but what does
 14 that mean? Doesn't mean nothing. (UI) fucking barking it.

 18 I don't do that no more. Yeah ya estubo no? Ya acabe. That's the rollo they

 20 CI: Well she did good.
 21 CH: That doesn't mean nothing though.
 22 CI: Shit I know.
 23 CH: (UI) that shows that she's not doing nothing.
 24 CI: Yup,
 25 CH: And they got mad so what did they do next? They raided her four days,
 00021:01 about five days later. They raided thru, with a federal search warrant. The
 02 search warrant they were reading over the phone, they were, my ruca was
 03 reading it, no. She was saying that there looking for, the main thing that
 04 they kept on asking for was Suboxone. That we, that, that she was assisting
 05 me getting Suboxone in the facility. They went and looked
 06 for everything that, that, like something that, that has to do with like
 07 fucking tampering with the postal service. They didn't find nothing
 08 CI: Yeah that's
 09 CH: They didn't find no Suboxone, they, and I'm lucky because I have 20 there
 10 but I got rid of them eh.
 11 CI: Twenty where? You had them?
 12 CH: Yes, I had twenty strips there like a dummy eh. Just saving them.
 13 CI: In your cell?
 14 CH: No, no at the pad.
 15 CI: Oh.
 16 CH: I had twenty strips there just fucking, had my sister saving them like a
 17 fucking idiot, no.
 18 CI: How, (Voices overlap). How
 29 CI: I wonder.
 00022:01 CH: They have all those fucking phone conversations supposedly that they
 02 have and that they would see that they were making listas. Listas the
 03 experts because they use to go (UI) me. My mom's boyfriend, they had a
 04 bunch of land. They use to harvest chive no? For that, to show that how
 05 income comes in. And all of that matched up perfectly. See they did act
 06 like that they're dealing with a bunch of fucking fish, eh, like, we already
 07 knew how they work. Nothing that, we never even that, what, never even had
 08 anything under our name and if you, you can't prove that you're able to
 09 show a purchase that you paid for these. People get busted because Chris
 10 and them are over there buying pads and cars and don't even have a jale,
 11 riding up to the, to the parole office in a brand new car bumping and don't
 12 even have a jale. Times have changed. It's not like before now. The fucking,
 13 the, the STG, that from in here works with them fuckers out there you already
 14 know. But I mean it's gotten worse. Now you have a US Marshall involved with
 15 the FBI, sweeping all the Burque. Shadow told me that they were fucking hitting
 16 everybody, hey.
 17 CI: Which Shadow?
 18 CH: Little Shadow.
 19 CI: Oh.

 22 CI: Have you heard anything where they're holding Billy? About what? Have

 24 CH: No.
 25 CI: I wonder what's up with that fool.
 00023:01 CH: I don't know. I don't know, eh, but that, that, I'm saying fuck, what

02 just like that bro that, it's just what other people say too, you know what
03 I mean. Somebody too like Garduno and them were matching your name and
04 writing a labrada, that's another thing.

05 CI: Everybody's mentioning my name.

06 CH: But it, it, that don't prove nothing. He could write or whatever.

07 CI: And, and the Feds, that's all they, and the Feds, that's all they need
08 is the dude to say yeah, he is the whatever.

09 CH: But you'll gettime, were all going to get time man, what's the point.
10 They have to prove that, that, that there was a recording saying that (UI)
11 who killed this vato or, or somebody (UI) is that I hit a murder saying
12 that well this person's saying to do this. That's, that, that, that's,
13 that's where their looking for.They don't have nothing.

14 CI: Well they have all them vatos that were charged with, each one of them
15 viajes is that they induce this.

16 CH: Another thing too, yes we could attack too because them vatos are all
17 on meds. They (UI) see that other thing too is because of the, the corrections
18 department with law enforcement went and charged people on fucking crimes
19 supposedly happened in the facility. They're kind of blaming this one group
20 for every crime that's happened in the facility. And then, and then their
21 trying to...

22 CI: No, their, their, their accusing different people for each one but they're
23 having a leadership that they threw into all that.

24 CH: Their, they've been here supposedly since 2007.

25 CI: Who?

00024:01 CH: Federal Investigations, but they, they been taking the time with it,
02 that supposedly they were seeing

03 CI: I don't think so because I got out in 2011.I would have never got out.

04 CH: But no, but no, no, not, not that. What I'm saying is ah, the investigations
05 started when STG and them started working with, with Denver and California
06 to help them train their facilities, remember? Like when they did that
07 sweep over there in Hobbs, taking pictures ah, just keeping up their, their
08 program, you know what I mean. I don't know.

09 CI: How does, fucking Billy knows so, little Billy know so much?

10 Did they plug him in?

11 CH: Yeah, because they know too.

12 CI: Did.

13 CH: They asked you.

14 CI: Did he say they were asking about me?

15 CH: Supposedly they were telling everybody. Now's your chance to work with us
16 but know, we're coming.

17 CI: Did he say anything about them asking about me?

18 CH: No, I haven't heard (UI), the only time I heard your name is when I told
19 you this, when they pulled us out there in Cruces, because that viejo locked
20 me up, that was a personal thing, they didn't even have nothing to do with
21 nada, fucker goes and gets (UI) and I (UI) wanted to charge someone, for a
22 hit. You know what I mean.

23 CI: Yeah:

24 CH: That little youngster, that's another thing, he doesn't know nada if
25 he was to say anything, he doesn't know nothing. I'm not that stupid bro...

00025:01 I ain't going to trust that (UI) vato eh.

02 CI: He could say, that little fucker could say who, who he was rapping to.

03 CH: He could say who he was rapping to or whatever but he doesn't know much.
04 He doesn't really, know nothing. Not only that, the paisa he isn't that
05 stupid, you know. But (UI) but then they look down and if you're down...

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_032

06 CI: Huh.

07 CH: But that's another thing I can't, I can't say that he's firme, a
08 solid vato, what, what I know he looks firme ntil something is wrong,
09 you know what I mean? They all look firme then they're not. But that's
10 the only time, was because when STG came that they were saying that there
11 was, that they knew about it but that they were pissed. Supposedly they
12 were mad because Marcantel went and told to lift it, let everybody out.
13 STG I guess was going against them.

14 CI: Even though there's, even though there was papers on vatos and
15 everything, let them out.

16 CH: Yeah. So I guess, I guess they were fucking pissed because they
17 said that (UI) that they knew there was tension between you and him
18 over a ruca. That he fucked up because some pedo like that, no, over
19 a chick. That's the rollo they were seeing.

20 CI: That was already over. It was Barelas against whoever they
21 thought was, was my friend.

22 CH: Then after that, ah, that's when, when they brought your ass.
23 That's when I had heard they arrested you. But that was like a couple
24 of months later though. It wasn't right away. So I kind of figured, I
25 said, yeah, they probably fucking got him on the RICO, trying to say
00026:01 that. That's what I was thinking, was me, Alex, and us no? Juanita and
02 shit. That's the only one I rap to. On, on that time, level (UI).

03 CI: Yeah.

04 CH: (UI) that did these feds or whatever but as of right now, I just
05 keep you with the vatos doing whatever. So they have nothing to lose
06 and if they were to scare 'em, they won't say fuck because they don't
07 have nada. The ones that I would watch more are the ones that are
08 going home bro.

09 CI: That shit when they hit me up on that, on the vehicle, I didn't
10 know, none of the names there, especially that, I was trying to think
11 about who that little fucker was. Who was he and I'm like, shit I don't
12 know that fucker, right. I wasn't even rapping to no one in Cruces, you
13 know what I mean. I said how the fuck you tie me to that.

14 CH: They'll have to prove all that shit.

15 CI: Huh?

16 CH: They have to prove all that shit. But the only thing...

17 CI: Yeah, but he was the one creating the tension by fucking campaigning.

18 CH: Yeah.

19 CI: You know what I mean. So, but what do you expect, it's going to happen
20 if he's, he's there campaigning against Duzer, my friends. What, what the
21 fuck. They tried to make it like if, I don't know. I was trying to wonder,
22 I know, I was trying to wonder who is that little youngster, who is he.
23 Who is he? I have to know him but.

24 CH: See and then after we had got word from.

25 CI: I thought it was Shaman, to be honest because they have, they have
00027:01 the same name on, on his AKA, on that youngster it, it says Chitman or
02 something.

03 CH: See, if they would have come sooner, a long time ago, maybe they
04 would have had a bigger Case. But it was already kind of already,
05 everybody was gone. I mean a lot majority passed on. A lot fucking,
06 disappeared and a lot went to the program. So it was already time,
07 huh. The ones that they went to those systems, that they fucking
08 ran and brought them (UI) programs. They brought Billy, they brought
09 Wino from there, Cyclone. The only one is TROUP. TROUP went home. T

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_0328

10 hey arrest him out there.

11 CI: Troops of my indictment.

12 CH: Yeah I know, They got a rental out there ah, (UI) you know.

13 But the other ones are (UI), shit it's not good because Javier no,

14 (UI) they were scaring him but I, I, that's what I was telling them,

15 I don't even want to rap to that vato. Don't even have to rap to

16 CI: To, to who?

17 CH: To set you a warrant.

18 CI: To who?

19 CH: Blue.

20 CI: Oh, don't rap to Blue.

21 CH: I told Blue because he's from Silver City. That Reds from

22 Silver City, that (UI).

23 CI: You, you told Blue not to rap to who?

24 CH: To Red.

25 CI: Who?

00028:01 CH: Because they were trying to get Red to

02 CI: Oh Red, Red, Red.

03 CH: ...you know.

04 CI: What?

05 CH: They were trying to get Red to recant his statment.

06 CI: Oh yea. What was, what was his statement to, who was he implying

07 on the statement? Who was he?

08 CH: He was saying that, that he...

09 CI: Was he...

10 CH: He was saying (UI) statement that I read. (UI) he just said that

11 he heard commotion and people running up the stairs. He doesn't say who.

12 Then they jammed him because Blue was all hurt...says what the fuck he.

13 CI: That's what makes me thing that cameras not working if he was in the room,

14 you know what I mean?

15 CH: No, they were bro. They were working.

16 CI: So, they know he's lying.

17 CH: He knows. There was fucking cameras over there.

18 CI: So they know he's lying then?

19 CH: Yeah. And that's why they said on the cameras see we never seen the thing

20 like that because all that never came out, no? But we know because they were

21 saying that something that they over observed something, someone handing

22 somebody something in the shower.

23 CI: Who was in the shower?

24 CH: Ah, Blue was. Blue was in the shower. They're trying to say that Creeper

25 handing him something. And then...

00029:01 CI: Well if Creeper, if Creeper (voices overlap)...if Creeper's

02 cooperating then...

03 CH: They found a weapon that supposedly that was in the pipe chase and they're

04 using that one as a murder weapon and that fucker's been in there for ages, all

rusted.

05 CI: That was, they only found, they said there was only one murder weapon.

06 CH: Well there's a few supposedly.

07 CI: Did they find anything in the shower?

08 CH: Yeah, they, it's all fucked up. That, that, there was a big old mess.

09 Not only that, they fucked up too (UI) I, I've seen it. They, they were

10 fucking up. Even on the, even when medical walked in. Because medical was

11 walking over that (UI). I seen (UI)...

12 CI: Where, where were they going, when they walking over him?

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_032

13 CH: They didn't know who was on (UI), they didn't know like, they were
 14 fucking stupid. They were fucking, like running and like didn't know (UI)
 15 they talked to that, the person that was laying on the floor was just injured,
 16 so that, that, that's going to make them look chafa because that shows that,
 17 it's medicals fucken issues eh.
 18 CI: Where did he get stuck, in the heart?
 19 CH: On his chest. Right on his chest or pansa.
 20 CI: They just walked right over him? (laughs.)
 21 CH: That why STG is mad because now that they filed a lawsuit.
 22 They were saying that, the STG I guess was saying that they do that, that they,
 23 (UI) used it.
 24 CI: Well, if them papers were, them papers were how old?
 25 CH: It's a long time.

00030:01 CI: They're going to get some money too. That's what happened with old school.

02 CH: (UI) that's why I'm staying at it. Their dicks, now their must making up
 03 all kinds of lies.
 04 CI: They should be be pissed at Marcantel, not at the system when they knew
 05 that it was going to happen. Wonder why if they knew it was going to happen,
 06 why they trying to blame people now. They need to blame themselves. They put
 07 paper, they put dudes with papers, the known papers from a long time ago,
 08 it's everybody knows about and then they wonder why they try to point the
 09 finger, try to figure why it happens when shit like that's been happening
 10 since before...

11 CH: Yeah, but I'm just saying to is, you're an hombre, it's the
 12 viejos nombre here, eh and the only thing, that those (UI) favor is that,
 13 trying to say that with that Julian, with that Julian and the ruca...that's
 14 that's the (UI) whatever out there, no? Those fuckers out there were
 15 setting people up, supposedly check this out. I, I haven't seen nothing (UI)
 16 but es quie, it's fucking big, the on that Conrad Salazar had. That I guess,
 17 what I heard, that Clifford, Huero and that fucker is wearing wires man. You
 18 know who was too fucking, who set up a bunch of people.

19 CI: Who?

20 CH: Little Pink Mama.

21 CI: Pink Mama?

22 CH: Yeah, that fuck, what's his name. Ah ...

23 CI: Where's he at?

24 CH: Shit, that fucker was setting up people and you know what
 25 the fucked up thing? The vatos on the street (UI)...and that fucker

00031:01 recorded everybody.

02 CI: Pink Mama?

03 CH: Yeah. That fucker said was, and that's the main one. That's the one that

04 ratted on Conrad and all them with that pedo over there. Then they have Archie

...

05 CI: I rap, hey I talked to Pink Mama a couple of times.

06 CH: Then they got Archie I guess, because Archie was calling fucking Joker on
 07 the streets. There's transcripts dog.

08 CI: What Joker?

09 CH: Baby Joker? The one from Silver City, the one that, what's his name,
 10 the ones they got in a shootout or something. Well anyway

11 CI: I don't know that one.

12 CH: Archie calls from here and was telling him about his son because they
 13 killed his son I guess. He was saying what the fuck, who did it?

14 CI: Was he the Carnal?

15 CH: (UI)

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_032

16 CI: Who was he blaming?
 17 CH: Huh.
 18 CI: Who was he blaming for that?
 19 CH: He didn't know.
 20 CI: Oh.
 21 CH: Joker, Joker was saying that, what's his name did it.
 22 CI: Who?
 23 CH: Ah, I dunno what's his name is eh.
 24 CI: Is he a homie?
 25 CH: Yeah. What's his name, fucking um.
 00032:01 CI: Do I know him?
 02 CH: You know ah, he was in the feds eh. he was some fucker from the feds eh.
 03 He's from Silver City too. That (UI) Archie's homie. They do that and shit, no.
 04 CI: Did they get him for it?
 05 CH: Well that's why they were giving Archie carrilla, they fucking, they were
 06 Joker they both (UI) es que no. Baby Joker disappeared, I think they hemmed
 07 him up too, and the other one. The fucker (UI) I think he's on that indictment.
 08 Fuck eh.
 09 CI: Has he been around awhile?
 10 CH: Remember that fucker ah, you probably won't remember.
 11 CI: What?
 12 CH: No, that fuck, not, it's not Choo Choo, it's ah...
 13 CI: Chulo?
 14 CH: No. It's Chuco, not Chuco.
 15 CI: Chico?
 16 CH: Not Chico. (Laughing) It is Chudo, Little Chudo.
 17 CI: Little Chudo?
 18 CH: I think. Hey he's the one that's from Silver City. I don't know,
 19 I can't remember but.
 20 CI: I don't know, I don't know that dude.
 21 CH: (Voices overlap) all kinds of transcripts though. Again that's why (voices
 overlap).
 22 CI: And who's, who's getting these transcripts, whose, whose case are they on.
 23 CH: No, they were phone conversations. They have, I mean, stacks bro, that
 24 I have, I've just heard about it. Billy told me about it and I just heard,
 25 we were in Cruces nuh. That supposedly there's a bunch of shit, hey, I mean
 00033:01 stacks and stacks of fucking wiretapping and phone conversations from the
 02 pinta on the street and supposedly Pink Mama was out there running
 03 around still setting people up wearing wires.
 04 CI: He, he, he, I talked to him a couple of times trying to get some subs no?
 05 And ah, that's the time (voices overlap) when him, him and Garduni called
 06 me one time. Garduno, and told me that (voice overlap)...
 07 CH: (UI) the jura whatever. I (UI) knew nothing.
 08 CI: Well, Garduno called me and told me he pulled out a cuete on them that
 09 he tried to rob them huh?
 10 CH: Yeah I know, him and Jake.
 11 CI: Him and who?
 12 CH: Jake.
 13 CI: Well Jake said that he was there just for them to both talk, to get them
 14 to talk to, to squash that shit no, cause (voices overlap).
 15 CH: I'm going to tell you to stay up.
 16 CI: Huh?
 17 CH: Fuck, that fucker was (UI) he's giving skina to that fucking viejo...
 18 CI: Who?

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_032

19 CH: Jake did.

20 CI: Jake?

21 CH: Yeah.

22 CI: Giving skina to the viejo.

23 CH: Straight up, that fucker's from Barelás.

24 CI: Yeah, but he wasn't, he, he was one of those that was about what was

25 right and what was wrong. Even that, when I was with him in the County

00034:01 Jail he wasn't picking sides he was pissed off that there were sides he
02 said, all this sides and all that, that, that's gacho he turned on Billy
03 on his own just because of the way Billy was approaching him, no.

04 CH: I have to think that, that the only way to show it was (UI). I don't

05 trust him, man, just for, from, because they were (UI) working apart to, right.

06 CI: Hey..

07 CH: (UI) playing the part too, they're not stupid. That fucker was telling

08 me just to get a report. They're not dumb, dumb. Esque Squeak just came back too.

09 CI: Squeak, Squeak.

10 CH: That's another one that was in Denver.

11 CI: I wonder where's Pink, Pink Mama ain't on the streets, no?

12 CH: Yeah, he's still on the street.

13 CI: Garduno say he got busted with a cuete.

14 CH: Garduno's burnt eh.Nah man, he made..

15 CI: What, what, what Jake, what Jake said when they did that with Garduno,

16 he said he was upset with Garduno because of the way he took off, when, when ah..

17 CH: Yeah, Garduno told me carnal. My ruca went and rapped to him, she came

18 and told me that fucker, that supposedly they run a full snag. Because you,

19 your (UI) esquina too, no.They (UI) it. I guess, fucker was with this

20 ruca right? The ruca is the one that told me, look, look (UI)...

21 CI: Yeah.

22 CH: And he looked in the rear view mirror and seen him. They go, were creeping

23 on both sides behind him. Why would Jake go to one side? And, and the other

24 one go to the other side.

25 CI: Yeah, I asked him, dude, are you sure you seen a gun. Are you sure?

00035:01 And he said, yeah, no.

02 CH: Yeah, they both went from both sides eh.

03 CI: Because I called Pink Mama and said hey, that dude's my little buddie.

04 You need to leave him alone, if you're going to rob someone, rob somebody,

05 somebody that, you know, somebody that, at least to one of our enemies or

06 something.You know what I mean.

07 CH: (Voices overlap)

08 CI: Not, and Jake said, Jake said, is that what he told you. Fuck no. That

09 vato's chafa, he said he took off running like a fucking bitch. He said I was

10 there to make him talk, to squash that shit. That's the story he gave me, no.

11 CH: What I heard.

12 CI: He got mad at me.

13 CH: Fucking yeah. He's a rat. That, that's one of the main rats right there.

14 CI: Jake?

15 CH: No.

16 CI: Oh.

17 CH: Mama.

18 CI: No, I'm talking about Jake. I, I wasn't talking to Little Mama about what
19 was up, Jake was acting like he's a mediator you know.

20 CH: Yeah. I don't know, but I just, but the only thing I didn't understand I,

21 he ain't just going to say something like that because he trusted Jake eh.

22 CI: Garduni's not all there but he's, it's hard, hard for him to push it

DISC 31147-31179.Redacted.Transcript of bod rec btwn CHS & C. Herrera(2-27-16 thru 4-28-16).0730_0328

23 together. He's one of those that you have to tell him what's up.

24 CH: Yeah I know. Spanky was out there with him. Spanky told me, no, he's cool

25 eh, no. Hold on. (Pause)

00036:01 CI: Hold on. Coming in. (Pause). You taking someone to the visit. Ah.

02 Huh, their taking someone to the visit.

03 CH: What you need to do seriously.

04 CI: Huh?

05 CH: Get with your lawyer, then have him get at those fucking transcripts

06 for fucking Conrad's case for Cruces with Clifford and all them.

07 CI: Conrad?

08 CH: (UI) they burned down that business, no.

09 CI: Ah huh.

10 CH: When they burned down the business...

11 CH: Okay.

12 CI: Alright. Because all those transcripts are in there and ask him too,

13 about all, that's why they were mad at Archie too, but (UI).

14 CH: Transcripts from what, the-his case?

15 CI: Yeah. Because Pink Mama and all those transcripts and phone conversations

16 will put all that puzzle together (UI).

17 CI: Well I wasn't, I wasn't rapping to any of them. never rap to Conrad.

18 I never, I'm the one that hold of Pink Mama, I think, trying to holler to

19 Garduno, to see what kind of skina I could get.

20 CH: Yeah, but I've never talked to him.

21 CI: Oh, I know.I'm just saying ah, I, I tried to think back to who was the

22 one calling me and saying that it was me calling them, you know.

23 CH: Yeah, (voices overlap).They were showing that movie over here, that (voices overlap)...

24 CI: Qu'vo. There's the five star thing, get one.

25 CH: What's that (UI).

00037:01 CI: Yeah, get it.

02 UNK: Five star?(Voices in background).
